### Rising Stars in Data Science

The Rising Stars in Data Science workshop, hosted by the University of Chicago in collaboration with the University of California San Diego, focuses on celebrating and fast-tracking the careers of exceptional data scientists at a critical inflection point in their careers: the transition to postdoctoral scholar, research scientist, industry research position, or tenure track position. Over the first three years of Rising Stars at UChicago, the annual workshop has hosted a total of 91 Rising Stars from nearly 40 institutions.

### Who Should Apply?

- Applicants must be **full time graduate students within 1-2 years of obtaining a PhD, or a current postdoctoral scholar, fellow, or researcher.**
- We welcome applicants from a wide variety of fields and backgrounds: any eligible PhD or postdoc who is engaging in rigorous, data-driven inquiry is encouraged to apply.

### 2-Day Workshop

This **two-day workshop held at UChicago on November 13-14, 2023** will feature:

- Career and research panels
- Networking and mentoring opportunities
- Research talks from the Rising Stars
- Participants will gain insights from faculty panels on career development questions such as:
  - How to start your academic career in data science
  - How to strategically sustain your career through research collaborations, publications, and skill development
- Participants will also hear inspiring keynote talks from established, cutting-edge leaders in data science.
- 1:1 meetings with faculty members
- Networking within the UChicago & UC San Diego data science ecosystems
